Lagos, Nigeria

WORK EXPERIENCE

Frontend Developer

Zulfah Academy

Frontend Developer Intern

Lagos , Nigeria

August 2024 - Present

My primary focus is developing user interface components and implementing them following well-known React.js .I ensure that these components and the overall application are robust and easy to maintain. I coordinate with the rest of the team working on different layers of the infrastructure and also integrating Api from the backend Therefore, a commitment to collaborative problem solving, sophisticated design, and quality product is important. I also always maintained writing clean code

Divvicson Tech
